HS Skills Camp: JUNE 24-26

This camp will be run by Coach JC Isakson . Coach Isakson worked one year on the GHS coaching staff before entering into the college ranks where he has worked at Western Montana, MSU Billings, and now at Univ. of Providence. Coach Isakson has always excelled at individual skill development and he will bring an excellent program to GHS.

This is our only skill camp of the summer and all athletes are strongly encouraged to attend this fantastic opportunity to improve as a basketball player. The program will be presented at an advanced and very challenging level. Athletes of all levels will benefit from this program. Cost of this camp is \$100. Payment will be made to Coach Isakson.
